We, the Topic Staff take pleasure in presenting this tribute to Mr. Emory Theiss who has in the past 38 years contributed much to the Junior and Senior High Schools of Jeffersonville, Indiana.

Mr. Theiss was born August 17, 1894 at Kankakee, Illinois. He attended a country, one-room school until fourteen years of age. He spent five years determining not to be a farmer nor a prize fighter.

**EDUCATION**—He attended Elmhurst Junior College. Earned a Bachelor of Arts and a Master of Science degrees from the University of Louisville. A Diploma from McCormick Theological Seminary. Graduate work at Purdue.

**LOOKING BACK**—He has taught school at Jeffersonville for thirty-eight years. Coached all sports for eight years as the first *hired* coach. Was principal of the combined junior and senior high school for eleven years. Continued as principal of the junior high school for nine more years.

Acquired a First Class commission for both the junior and the senior high schools. Chartered the first local chapters of the National Honor Society in both the junior and the senior high schools. Developed the "four major sport" program of the high school. Introduced boxing as a sport. Taught Bible literature to all faiths at Jeffersonville High School, without a single complaint from Protestant, Catholic, or Jew, for eighteen years. Started the Biology department of the high school as a laboratory science. Set the stage for the high school's entry into the North Central Association of Secondary schools and colleges.

The retirement of Mr. Theiss is well earned and we all wish him the best with his leisure, but he will be greatly missed by all—God speed to a wonderful person.
